

REMARKS

The description of the drawings has been amended to correct an inconsistency with the drawings. The specification has also been amended on page 10 to correct this same inconsistency between the drawings and the specification.

If there are any questions with regard to this amendment, it would be appreciated if Applicant's attorney is contacted by telephone or FAX so that any such questions can be expeditiously resolved.

Respectfully Submitted

A handwritten signature in black ink, appearing to read "Edward A. Sokolski", written in a cursive style.
